They chose the color of the Muslim flag from the front front. Q: You said that Farooq Abdullah changed his positions frequently during his race, but his father's father Sheikh Abdullah, easily a greater Kashmir leader, also seemed to change the thoughts of him in Kashmir frequently. During the Sheikh Abdullah, 7 years of cm until his death, there was no separatism or incidents of protest, except a unilved incident of a clash between Srinagar taxi drivers and the army for a day in 1980. But also It is a fact that he has also been reported on the other hand, not by many, but few. Do you dwell that Gul Shah is the father of Islamic extremism in Kashmir today? The rest is history. Q: The root of the militancy problem in Kashmir dates back to Gul Shah or curfew, Shah and the declaration of him in Anant Nag that "Islam Khatmeinhai". So, while people play Farooq Abdullah now, the fact is that it was pushed on the wall and now it has been making statements in support of the separatists, calling the young girls who collect weapons for freedom or say that China would help recover articles 370, From Turkish President. Recep Tayyip Erdoğan assuming the cause of Pakistan in Kashmir at the UN, the Prime Minister of Pakistan, Imran Khan, according to Mercenaries, Azerbaijan to help Turkish forces against Armenia, His cooperation on key issues of external politics is significant. But something that has received less discussion is how the international arm of the propaganda of Turkey, TRT, in particular, is also working for the interests of Pakistan, and against the enemies of Pakistan. When I call the propaganda arm of TRT World Turkey, this is not Hyperbol. Q: The liberation of the film The Kashmir files have created an atmosphere of debate and discussion on the Scene of the Kashmiri Pandits, the causes, the culprits, the The necessary solutions. Only Jamiat and Talbba, the student wing of Jee, was a complete organization of Fringe and also, as the national one. National. Sweep the elections even after the death of Sheikh Abdullah. They have had a complete domain about the Narrative of America to Europe. Although Farooq Abdullah realized that greater autonomy would not be possible, it was still the slogan of NC. A: Sheikh Abdullah, everyone knows, I wanted greater autonomy. Therefore, the perception was built in Kashmir that Mufti had the back of the center in what he did, allow him to criticize and discredit the Institutions of India. And later it was Congress that made a conspiracy to deposit Farooq Abdullah and designed a division within the National Conference, with 12 MPS facing Gul Shah, made CM of J & K by Indira Gandhi in 1984. While he receives The Government of Erdogan. Pakistan blocking blocking support on important topics, it is likely that it continues. The interest in the best interests of the US. UU. And many of its Western allies have a strong relationship with India. However, Sheikh Abdullah took full control of the situation and two days later, made an event in Lal Chowk and this ended. Even with Gul Shah in power, NC Candidate Abdul Rashid Qadri won with a margin of 3 lakh against Gul Shah's son. But Pakistan and Turkey have long-standing relationships with the US. UU. And many of its allies that will be difficult to unravel quickly. Vidhu Vinod Chopra had done Shikara, but it seemed to avoid much of the bloodshed and the brutality that occurred, allowing Agnihotri to take advantage of the success that the Kashmir archives have been achieved. A: People do not believe that Gul Shah is a force. A: For what SA € , Farooq Abdullah was against the militancy, witnessed that he gave discourses for people not to take violence, as he would benefit anyone at the beginning of the 90s. When he returned to the power in 1975, he was promoted that 51 Central imposed on Kashmir Despite his special status during his absence would be reviewed and repealed. By Aman Basha the launch of the The Kashmir files have created an atmosphere of debate, discussion, argument and accusation everywhere from the political sphere to universities to the living rooms, blogs and, of course, Twitter. But at best, it is indirectly related. There was international repercussions, since it was a global phenomenon. Several of these same stories also attack other US groups. UU who work in cooperation with the Hindu American foundation on some issues related to Pakistan, namely Armenian America Committee, The helical association of American leadership, in defense of the Christians, American friends of Kurdistan and the aforementioned in the Middle East Forum. In the same article, the Domestic Rivals of the Hindu American Foundation Foundation, the Indian American Muslim Council, a group with open sympathies for the radical Islamist movement Jamaat-e-Islami founded in Pakistan, as well as in worse Radicals, is painted as a benign group of civil society. These are the two main political leaders in Kashmir, Ghulam Nabi Azad was always against separatists, calling them terrorists. Nothing of that guy succeeded. Mr. Fayyaz agreed, the interview was carried out by telephone, since he said that the video was able to endanger his security, threatened by campaigns that had already taken the death of his colleague, Shujaat Bukhari, editor of Rising Kashmir. We can say that this type of film has been carried out for the first time, of the many movies made in cashmere after the separatist conflict, like red, the first or haider (written by Basharat Peer), Kashmir was more like a curtain of Background for Shakespeare and such. The fact remains that it has a great audience, and is supporting the interests of the Turkish government, which increasingly, openly, includes the interests of its Pakistani allies and Jihadists who promote. He advocated the most close commercial ties, and the transportation with Pakistan and did nothing to integrate the people of Kashmir with the rest of India, which is a fact. During the Sheikh Rule Abdullah, Abdullah. The Jamaat and Islami was a Pro Indian party that challenges the elections. So, why did he support Vajpayee Mufti Sayed? Also neglected to mention Khan sharing a stage with Fazlur Rehman Khali, founder of Harkat-ul-Mujahideen. The same could be said for the progeny of him as mehbooba also. This is below. Part I of the interview I did with Mr. Ahmed Ali Fayyaz, who has contributed to many points of sale as the times of India, the fifth and also was Jammu and Kashmir Bureau Chief for Hindu. Part-II Soon Published in: Cinema: Hindi, Politic, Readers wrote in this until July 1999, when the Democratic Party of the People was launched by Mufti Mohammed Sayed, supposedly with the best support of the BJP. It was not possible for a conventional policy to take a line that was smaller for militants and terrorists. Some Indian commentators have also noticed the problem. His headers havea to the banna became an inspiration for an Islamist wave that swept Pakistan and Afghanistan, and when the Russians retired, Pakistan began to say that if we can defeat the Russians, increasing the moral of the Islamists throughout the subcontinent. He began only with the creation of the Muslim united front in 1986, and during that time, a film Omar Mukhtar was examined at the Regal Teatro de Srinagar. A: The film is directed to a particular class of people, which we call the ecosystem of the terrorists. And, even, even the stories where relatively benign Pakistani problems are discussed, such as arbitration agreements between government and international corporations for gold and copper mining, Pakistan is painted victim of sinister forces, stating that Such agreements were "(s), igned by officials who did not have any idea of what they were doing" striking masses is the continuous use of the platform of the From TRT to go after Pakistan opponents, even in the United States. Several recent stories: Specifically attack the Hindians. American Foundation, an American group that A US SOLID / INDIA relationship and has been rarely critical of the Hindus of Pakistan. The people who came out of that would speak against Sheikh Abdullah, calling him a Sellout to India and that people like Gaddafi were real leaders. Those responsible for the formulation of politics around the world should be tired à €
